Tuition Payment Guidelines and Discounts

- A 5% tuition discount is offered to the younger sibling.
- The Tuition fee under the **Discounted Plan** is divided in two equal installments for tax purposes: the first installment is due on June 1st, 2016 and the second installment is due on January 1st, 2017 as specified above. The installments are not for the fall or spring semester since the fall semester has less days than the spring semester.
- The Tuition under the **Monthly Plan** is divided in 10 equal payments starting on June 1st, 2016 and ending on March 1st, 2017.
- The After School and Early Arrival fees are due on June 1st, 2016 together with the tuition fees.
- **All tuition payments are for the entire academic school year and due as specified above, even though some new students may start in the second or third week of school.**
- **Tuition refunds will be allowed only with a 30-day advanced written notice for withdrawal and provided that the position can and has been filled by another child.**

All fees are non-refundable and subject to change with a 30-day advance notice.
