Tuition Payment Guidelines and Discounts

- A 5% Tuition Discount is offered to the younger sibling.
- The Tuition Fee under the Discounted Plan is divided in two equal installments for tax purposes: the first installment is due on June 1st, 2019 and the second installment is due on January 1st, 2020. The installments are not for the fall or spring semester since the fall semester has less school days than the spring semester.
- The Tuition under the Monthly Plan is divided in 10 equal payments starting and due respectively on the first calendar day of the month starting on June 1st, 2019 and ending on March 1st, 2019.
- The After School fees are due on June 1st, 2019 together with the tuition fees.
- All Tuition Payments are for the entire academic school year and due as specified above, even though some new students may start in the second or third week of school.
- Tuition refunds will be allowed only with a 30-day advanced written notice for withdrawal and provided that the position can be and has been filled by another child.

All fees are non-refundable and subject to change with a 30-day advance notice.
